Here, with laugh-out-loud humor and well-earned experience, Julie Vick offers coping mechanisms for everything from sharing the news that you are becoming a parent to the moment the baby is born (one way or another, it will happen), from managing doctor's visits to handling playdates. She offers advice on finding childcare and ignoring the nursing versus formula conversation with strangers. Witty yet valuable, her tips, checklists, and the occasional chart focus on the time from pregnancy through preschool.
