A new, refreshed edition of the five-level English course for teenagers, with a clear structure, supported approach to speaking, practice, and exam preparation still at its heart.Solutions has been thoroughly modernized with 80% new content to draw in students, embed the grammar and vocabulary presented, and engage them in the tasks. Its guided approach builds up every student's confidence, through step-by-step objectives, lots of practice, meaningful personalizationactivities, and exam preparation tasks.The course now embraces a wide range of teaching methods, furnishing the teacher with a flexible pick-and-choose package for use in the classroom, at home, and on the move. The digital elements of the course enliven the material and allow teachers to vary the pace and focus of their lessons.Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.The Solutions Second Edition DVD-ROM material and worksheets bring the language to life by taking it out of the classroom and into authentic settings.

With 100% new content, the third edition of Oxford's best-selling secondary course offers the tried and trusted Solutions methodology alongside fresh and diverse material that will spark your students' interest and drive them to succeed.Oxford University Press's best-selling course for teenagers is now available in a third edition, providing new and exciting content that is delivered using the successful methodology of the previous editions.The third edition offers a brand new comprehensive listening syllabus as well as word skills lessons, allowing students to master key listening sub skills, expand their vocabulary, and become confident communicators. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.

The Workbook offers plenty of extra practice, revision, and reviews. Mirroring the Student's Book content, with the same clear structure, it provides extra reading and writing practice opportunities for both weaker and stronger students. The Writing Bank at the back of the book gives a quick guide to text types, with model structures and key language as well as exam strategies, plus a Functions Bank for functional phrases for speaking and writing. There is plenty of exam practice in the Get Ready for your Exam sections and these, along with the Self-Check pages after each unit and the review sections at the back of the books, allow students and their teachers to keep track of their progress as they work towards their exams.The accompanying Audio CD offers students a huge amount of listening practice. There are audio recordings for tasks in every lesson (not only for the Vocabulary & Listening lessons).
