Sony CDP-CE500 - CD changer / digital player Specs - CNET
The Sony CDP-CE500 is not on the level of either one of them. The best feature this player has for my use is an auto-shut off timer that let's us put the player on at night and allows it to shut down about 10 or so minutes after a CD ends. working with the Sleep-Timer on my receiver it allows me to use it in the bedroom knowing it will turn off by itself before morning like the receiver.

I own a business and having this 5 CD changer allows me to load up around 5 hours of music to play continually in my shop and chances are no customers will ever hear the same music twice. This Sony CD changer is so efficient you don't notice that a CD has ended and another one begins. A great deal at less than \$200 out the door!
