A tale inspired by the affair between Sigmund Freud and his sister-in-law depicts the struggles of Minna Bernays, an educated woman uninterested in conventional women's roles who becomes fascinated with her brother-in-law's pioneering theories.

This book explains how you can go about preparing for a better birth. Written by two experienced midwives, it doesn't promise a magical remedy. And it doesn't treat all birth options and all women as if they are the same. But with the right information and an appropriate choice of place and caregiver, pregnancy and birth can be a truly momentous event. A better birth can be an event every mother can look back on with satisfaction.
