Kid's U Presents... West Virginia - Amazing Pictures and Facts About West Virginia What type of geography does West Virginia have? Is the state of West Virginita a good place to live? In this book you will explore the wonders of West Virginia, finding the answers to these questions and so many more. Complete with incredible pictures to keep even the youngest of children captivated, you will all embark on a little journey into the great unknown. In school our children aren't taught in a way that makes them curious and wants to learn. I want to change that! This book will show your children just how interesting the world is and help ignite a passion for learning. Your children will learn how to: Become curious about the world around them. Find motivation to learn. Use their free time to discover more about the world-and have fun while doing so! And much more!

I intend for this book to be a follow-up to the first Unlock Your Life With Pendulum Dowsing book in the series, namely Anyone Can Dowse. Whilst that book was written to act as an introduction to dowsing, Your Were Born To Dowse takes the premise rather further, and although for those new to dowsing there is a chapter entitled Pure Dowsing detailing exactly how to dowse, the overall essence of this book is to stretch my reader's dowsing to help them gain insights in all areas of their lives. As I will reiterate several times during the book, I see dowsing as an incredibly efficient way for developing a direct link to and for nurturing trust in our own intuition. Once we learn to trust our intuition, life will take on a whole new meaning and will for sure get interesting in ways you will have to discover for yourself!
