In all of Arthurian legend, the most famous of the Knights of the Round Table is undoubtedly Sir Lancelot. This series, painstakingly researched by the History and Literature Departments of Oxford University, re-creates some of the notable exploits of the famous knight, as well as the deeds of the other members of King Arthur's court.

The Adventures of Sir Prancelot is a children's animated television programme written and produced by John Ryan for the John Ryan Studios company. It followed the adventures of Sir Prancelot, an eccentric inventor-knight who heads for the Crusades in the Holy Land. It was first transmitted on BBC 1 on Thursday, 13 January 1972.

Many years ago, the storytellers say, the great King Arthur brought justice to England with the help of his gallant Knights of the Round Table. Of these worthy knights, there was never one so fearless, so chivalrous, so honorable, so...shiny as the dashing Sir Lancelot, who was quite good at defending the helpless and protecting the weak, just as long as he'd had his afternoon nap. Behold the very exciting and very funny adventures of Lancelot the Great, as only acclaimed Arthurian author Gerald Morris can tell them.

Sir Lancelot the cat is a feline hero who finally finds a forever home, gets lost, enjoys Christmas, and gets jealous. To his owner, Kathy, Lancelot is a hero whose orange paw reached out of a cage and chose her as his owner. But will Lancelot accept Kathy's boyfriend Dave?

This new edition brings to life Tobias Smollett's fourth novel, The Life and Adventures of Sir Launcelot Greaves. No annotated edition of the work existed before the second half of the twentieth century, and this comprehensive edition by Robert Folkenflik and Barbara Laning Fitzpatrick features more accurate text as well as scrupulous textual and critical information. Also included in the detailed introduction is a unique examination of Sir Launcelot Greaves, the first illustrated serial novel, in relation to the engravings by Anthony Walker. Sir Launcelot Greaves was a groundbreaking novel for Smollett. Published in British Magazine beginning in January 1760, it was the first major work by an English novelist to have been written specifically for serial publication. The novel, Smollett's shortest, differs stylistically from his previous works. The most attractive of his heroes, Sir Launcelot is virtuous and strange, and he is surrounded by a Smollettian menagerie whose various jargons are part of this novel's linguistic virtuosity and satire. Sir Launcelot's character is an English naturalization of Quixote. Although Sir Launcelot, unlike Quixote, is not the object of the author's satire, an idealistic madness is central to both characters. In Smollett's work the theme of madness is integral to the relationship between self

Read Free The Adventures Of Sir Lancelot The Great The Knights Tales Series

and society as the work ponders both the constitution of madness and the alternatives to revenge. Sir Launcelot Greaves, though not Smollett's most heralded work, has not received the recognition it deserves. Folkenflik and Fitzpatrick present a definitive edition that will be appreciated by scholars and lovers of eighteenth-century literature.

"With his quirky sense of myth and legend and tongue-in-cheek humor, [Morris] brings to life the court of King Arthur and his knights." —Curled Up with a Good Kid's Book Many years ago, the storytellers say, the great King Arthur held court with his gallant Knights of the Round Table. Poor Givret, who is easily the shortest man at court, bears the brunt of their jokes. But what he lacks in stature, Givret makes up for in brains—and before he knows it, his quick thinking has landed him a place at the famous Round Table! And so beginneth the exciting and funny adventures of Sir Givret the Short, Brilliant, and Marvelous. "Brush and ink illustrations, both full-page and vignettes, are scattered throughout, adding interest to the humorous story line. The combination of a peddler with a long, hooded black cloak; an evil, self-proclaimed count; a young woman who talks too much, or just enough; and a reckless young knight out to prove himself results in an entertaining tale that is sure to please young readers enamored with medieval derring-do." —School Library Journal "This is often quite funny, and just exciting enough to capture the attention of budding young Arthur-philes." —Booklist

"An ingeniously integrated retelling of Gawain and the Green Knight . . . Worthy reading for all budding squires and damsels." —Kirkus Reviews (starred review) In the third installment in the Knights' Tales series, Gerald Morris tells the laugh-out-loud tale of King Arthur's most celebrated knight and nephew, Sir Gawain, and the Green Knight. With lively illustrations by Aaron Renier, Morris creates a captivating and comical medieval world that teems with humor and wonder. This chapter book is sure to set young readers on another rollicking and hilarious Arthurian adventure! "Broad humor, graced with lively language will have readers laughing along with this boisterous Arthurian adventure." —Yellow Brick Road Praise for The Knights' Tales series "With his quirky sense of myth and legend and tongue-in-cheek humor, [Morris] brings to life the court of King Arthur and his knights." —Curled Up with a Good Kid's Book "The book's brevity and humor make it accessible to reluctant readers, and it is a fantastic read-aloud." —School Library Journal "This trim novel, with simple vocabulary and brief, witty chapters, is an ideal fit for early readers . . . but fans of the legendary characters may find particular delight in this irreverent and unabashedly silly exploration of Arthur's court and his most influential knight." —The Bulletin "This is often quite funny, and just exciting enough to capture the attention of budding young Arthur-philes." —Booklist

"[The] fourth of the light-hearted Arthurian Knights' Tales . . . a

21st-century spin on the ancient legends” from the author of The Squire’s Tales (Kirkus Reviews, starred review). Many years ago, the storytellers say, the great King Arthur brought justice to England with the help of his gallant knights of the roundtable. While most of King Arthur’s knights freely chose a life of duty, for Sir Balin the Ill-Fated, destiny was foretold in a prophecy. And seriously, “ill-fated” is right there in his title, so Balin’s not surprised when things go sour. Still, no matter how dire the task, a loyal and gallant knight never refuses adventure! Will Sir Balin finally discover his true destiny? And which ill-fated path will he have to choose? Join Balin on this, the noblest quest of all. “Lots of humor, wordplay, and numerous twists and turns.” –School Library Journal Praise for The Knights’ Tales series “With his quirky sense of myth and legend and tongue-in-cheek humor, [Morris] brings to life the court of King Arthur and his knights.” –Curled Up with a Good Kid’s Book “The book’s brevity and humor make it accessible to reluctant readers, and it is a fantastic read-aloud.” –School Library Journal “This trim novel, with simple vocabulary and brief, witty chapters, is an ideal fit for early readers . . . but fans of the legendary characters may find particular delight in this irreverent and unabashedly silly exploration of Arthur’s court and his most influential knight.” –The Bulletin “This is often quite funny, and just exciting enough to capture the attention of budding young Arthur-philes.” –Booklist

Follows Sir Launcelot of the Round Table as he rescues Queen Guinevere, fights in the tournament at Astolat and pursues other adventures.

Arthurian expert Sir James Knowles brings together fourteen tales of King Arthur and his knights, inspired by Alfred, Lord Tennyson's first four 'Idylls of the King'. Here is a fascinating journey through the land of ancient England where magic, mystery and warring factions come together in cataclysmic fashion. Beginning with the finding of the wizard Merlin, Sir James recounts the discovery of the legendary sword Excalibur, King Arthur's victory over the Saxons and his marriage to the beautiful Guinevere, as well as his battles against armies from Europe and his evasion of Queen Morgan's attempts to kill him with a magic garment. Tales include: • The Prophecies of Merlin and the Birth of Arthur • The Miracle of the Sword and Stone • The Lady of the Lake • The Founding of the Round Table • The Adventures of Sir Gawain Revealing the escapades of the Knights of the Round Table, such as Lancelot, Bedivere, Bors, Modred, Tristram and Galahad, as they seek to protect Arthur's kingdom, we discover how these fabled figures found their destiny. ABOUT THE SERIES: Arcturus Classic Myths and Legends brings together beautiful retellings of mythologies from different traditions, from Celtic to Native American.
