Andy Day is a British photographer and writer living in France. He began photographing parkour in 2003 and has been doing weird things in the city and elsewhere ever since.

Can a Simple Question Foolproof Your Life? When it comes to sorting out the complexities of life, only wisdom can reveal the best path. Let's face it—we've all made some pretty dumb decisions in our lives. For most of us, there are chapters in the past we would like to rewrite. There's money we wish we had never spent, relationships we wish we had never started, and perhaps a few invitations we wish we had never accepted. Unfortunately, we can't do anything to reverse the bad decisions of the past. But there is certainly no reason to repeat them either. This six-part DVD and study guide focuses our attention on one crucial question that has the power to goof-proof our decision making from this point forward. Prepare yourself. You are about to be introduced to a question that will revolutionize the way you make decisions. Over the past twenty years, speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all over the country. You'll learn how to make decisions with confidence simply by applying the question that brings clarity to life's most challenging decisions.

We never know what or who hangs in the balance of the decisions we make. But what we do know is this: private decisions have public implications. Your private decisions probably won't stay private, and personal decisions will impact some other persons. These five simple questions will empower you to: Make better decisions with fewer regrets Pause when feeling tension over a decision Take the long view Look for the wise option Focus on the relational impact of decisions Designed for use with the Better Decisions, Fewer Regrets Video Study (sold separately).

Rev. ed. of: The best question ever. c2004.

A book for anyone who cares deeply about the future of the church. Once upon a time there was a version of our faith that was practically . . . irresistible. But that was then. Today we preach, teach, write, and communicate as if nothing has

changed. As if "The Bible says it," still settles it. It's time to hit pause on much of what we're doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What did they know that we don't? What made their faith so compelling, so defensible, so irresistible? Buckle up . . . you're about to find out. More importantly, Andy will invite you to embrace the version of faith that, against all odds, initiated a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. A version we must embrace if we are to be salt and light in an increasingly savorless and dark world. "More than any other book I've read in years, Irresistible has stretched my view of Scripture. I can't hear or read a passage from the Old or New Testaments without thinking about Andy's provocative insights. If you and I take this book seriously, our lives and our churches will never be the same." Kara Powell, PhD, executive director of the Fuller Youth Institute and coauthor of *Growing Young* "Irresistible is like a once-in-a-generation shot across the bow. Andy Stanley takes a lifetime of accumulated insight and wisdom about the Christian faith, history, and why the church isn't connecting with our current culture, and combines them together in a masterpiece work." Carey Nieuwhof, author and founding pastor, Connexus Church "Warning: This book will set you and your ministry back—back to the first century and the approach to advancing the gospel modeled by Jesus and the apostles. Andy reminds us that the resurrection was at the center of the first-century apologetic. Then he challenges twenty-first century believers to reclaim it as the center of ours as well. I agree with Andy—this approach changed the world once. I'm convinced it could do so again. Read and apply now!" Frank Turek, Christian author, public speaker, and radio host "This book challenged me to rethink
