Music, magic, and a real-life miracle meld in this genre-defying masterpiece from Newbery Honoree Pam Muñoz Ryan! Winner of a 2016 Newbery Honor, ECHO pushes the boundaries of genre, form, and storytelling innovation. Lost and alone in a forbidden forest, Otto meets three mysterious sisters and suddenly finds himself entwined in a puzzling quest involving a prophecy, a promise, and a harmonica. Decades later, Friedrich in Germany, Mike in Pennsylvania, and Ivy in California each, in turn, become interwoven when the very same harmonica lands in their lives. All the children face daunting challenges: rescuing a father, protecting a brother, holding a family together. And ultimately, pulled by the invisible thread of destiny, their suspenseful solo stories converge in an orchestral crescendo. Richly imagined and masterfully crafted, this impassioned, uplifting, and virtuosic tour de force will resound in your heart long after the last note has been struck.

A reissue of Pam Munoz Ryan's bestselling backlist with a distinctive author treatment and new cover art by Raul Colon. Naomi Soledad Leon Outlaw has had a lot to contend with in her young life, her name for one. Then there are her clothes (sewn in polyester by Gram), her difficulty speaking up, and her status at school as "nobody special." But according to Gram, most problems can be overcome with positive thinking. And with Gram and her little brother, Owen, Naomi's life at Avocado Acres Trailer Rancho in California is happy and peaceful...until their mother reappears after seven years of being gone, stirring up all sorts of questions and challenging Naomi to discover and proclaim who she really is.

A sheltered girl. A wild horse. An unforgettable journey. Maya lives like a captive. At Grandmother's house in California, everything is forbidden: friends, fun, even memories. And her life is built on lies: lies

Grandmother tells her about her dead mother, lies Maya tells to impress or manipulate. But then she moves to the vast Wyoming wilderness where her mother's family awaits - kind, rugged people who have no tolerance for lies. They challenge Maya to confront the truth about who she is. And a mysterious mustang called Artemisia waits, too. She holds the key to Maya's freedom. But to find it, Maya will have to risk everything, including her life.

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

A reissue of Pam Munoz Ryan's bestselling backlist with a distinctive new author treatment. In this fast-paced, courageous, and inspiring story, readers adventure with Charlotte Parkhurst as she first finds work as a stable hand, becomes a famous stage-coach driver (performing brave feats and outwitting bandits), finds love as a woman but later resumes her identity as a man after the loss of a baby and the tragic death of her husband, and ultimately settles out west on the farm she'd dreamed of having since childhood. It wasn't until after her death that anyone discovered she was a woman.

Award-winning author Juliet Marillier “ weaves magic, mythology, and folklore into every sentence on the page ” (The Book Smugglers). Now she presents the first novel in an enchanting series that will transport readers to a magical vision of ancient Ireland.... In exchange for help escaping her long and wrongful imprisonment, embittered magical healer Blackthorn has vowed to set aside her bid for vengeance against the man who destroyed all that she once held dear. Followed by a former prison mate, a silent hulk of a man named Grim, she travels north to Dalriada. There she ' ll live on the fringe of a mysterious forest, duty bound for seven years to assist anyone who asks for her help. Oran, crown prince of Dalriada, has waited anxiously for the arrival of his future bride, Lady Flidais. He knows her only from a portrait and sweetly poetic correspondence that have convinced him Flidais is his destined true love. But Oran discovers letters can lie. For although his intended exactly resembles her portrait, her brutality upon arrival proves she is nothing like the sensitive woman of the letters. With the strategic marriage imminent, Oran sees no way out of his dilemma. Word has spread that Blackthorn possesses a remarkable gift for solving knotty problems, so the prince asks her for help. To save Oran from his treacherous nuptials, Blackthorn and Grim will need all their resources: courage, ingenuity, leaps of deduction, and more than a little magic.

Newbery Honoree Pam Muñoz Ryan weaves an entrancing tale of courage and self-discovery.
