All joined by one magical strand, Mick Head and his music. It was through the site that – a year late – I got to buy The Magical World Of The Strands. I bought it on CD and regretfully didn't bother with the vinyl version; something that has always rankled me, particularly as the prices for the vinyl went up and up and up.

The Magical Worlds of Harry Potter: A Treasury of Myths, Legends, and Fascinating Facts is a guide to the fictional Harry Potter universe, written by David Colbert. It explores the references to history, legends, and literature in J.K. Rowling's Harry Potter novels. Colbert conceived the idea for The Magical Worlds of Harry Potter while quizzing his nephew and nieces about the mythological references in the novels. He later wrote the book while teaching a seminar on self-publishing to graduate s

A fantasy world is an author-conceived world created in fictional media, such as literature, film or games. Typical fantasy worlds involve magic or magical abilities, nonexistent technology and sometimes, either a historical or futuristic theme. Some worlds may be a parallel world connected to Earth via magical portals or items; an imaginary universe hidden within ours; a fictional Earth set in the remote past or future; an alternative version of our History; or an entirely independent world set
