David and Leigh Eddings were mythmakers and world builders of the first order. With The Redemption of Althalus, the authors of the Belgariad and Malloreon sagas created a thrilling stand-alone epic–boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend.

The Redemption of Althalus is a great standalone fantasy story by David Eddings. It is an endearing story about a thief who becomes a hero who saves the day. As expected from Mr. Eddings, the story is full of wit, adventure, magic, and mythology. So, if like me you like light-hearted, humorous fantasy stories- then this definitely is the book for you.

The Redemption Of Althalus is unusual in that it is the only Eddings fantasy that is not part of a larger series. It's a big book, and sometimes seems to be moving a little fast to cover just about all of the territory of a huge save-the-world saga within the space of a single (albeit rather large) novel.

The Redemption of Althalus is a stand-alone fantasy novel by David and Leigh Eddings. It is notable because, unlike in the vast majority of fantasy novels, the world evolves over the ages, going from a Bronze-Age barter economy to a more traditional high fantasy setting over the course of the work.

The Redemption of Althalus is a stand-alone fantasy novel by David and Leigh Eddings about... well, the Redemption of Althalus. In his early adult life, Althalus was a thief. Since he was neither strong enough to rob people by force nor small and fast enough to steal via stealth, he aspired to become successful by outwitting his targets.

As the battle continues between the forces of good and evil, disreputable thief and rogue Althalus is forced into an uneasy alliance with powerful goddess Dweia as they embark on a mission that could hold the key to the world's salvation.

David and Leigh Eddings were mythmakers and world builders of the first order. With The Redemption of Althalus, the authors of the Belgariad and Malloreon sagas created a thrilling stand-alone epic–boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal The Book from the House at the End of the World, Althalus is confronted by a cat--a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of The Book, the ancient God has been using the dark magic of his own Book to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for The Redemption of Althalus "Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike."--Library Journal "The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming."--Booklist "An engaging young reprobate hero . . . [A] magical realm of good-natured fun."--Publishers Weekly "A compelling, involving story."--Science Fiction Chronicle

A fabulous Eddings standalone fantasy, set in an entirely new magical world.

"On his way to steal The Book from the House at the End of the World, Althalus is confronted by ... Dweia, sister to The Gods and a greater thief even than Althalus." When he leaves the house, thousands of years have gone by.--Jacket.

"A story of murder and revenge . . . Outstandingly well paced and tightly plotted, the novel also stands out in its handling of various psychological themes."--Booklist Eerily attuned to one another, twins Regina and Renata are so identical that even their mother can't tell them apart. Then tragedy strikes: a vicious attack leaves one twin dead and the other so traumatized that she turns totally inward, incapable of telling anyone what happened or even who she is. She remains lost to the world, until the day Mark, a family friend, comes to visit--and the young woman utters her first intelligible word. As she recovers, still with no memory of the past, her nightmares grow steadily more frightful, followed by wild fits of hysteria and dark mood swings. Her strange outbursts seem to coincide with the grisly serial murders that have begun plaguing Seattle. Could she be the killer? Determined to dispel his suspicion, Mark stakes out her home. The unholy sight he witnesses one night will haunt his soul for the rest of his life. . . .

Sparhawk faces his greatest enemy, rescues his beloved Queen Ehlana from her abductors without surrendering his jewel of power, and confronts the dreaded monster Klael

A thoroughly modern woman, Sarah Cain has long disdained her sister's Plain lifestyle. But when news comes of her sister's death, Sarah is stunned to learn she has been named guardian of her children. How can Sarah sacrifice her successful career and a life she enjoys to raise five Amish orphans she barely knows? Besides, Sarah is harboring a secret grief of her own..Will the sorrow that divides them ultimately unite the new family?

While most continents float freely on the face of Mother Sea, the Land of Dhrall survives anchored by the will of the Gods. All Gods, Elder and Younger, share the people and the land of Dhrall equally. But the one place they never enter is The Wasteland: a barren and hideous wilderness ruled by the Vlagh--a god-like creature whose young are evil spawn. Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to change the course of history...and stop the Vlagh in its quest for total world domination.

Sparhawk--Pandion Knight and Queen's Champion--finds his land under evil rule and the queen deathly ill upon his return, and sets off with his magic-empowered friends to find a cure
