Volvo D7e Engine – Complete Used Engine For Sale – F&J ...

Volvo D7C Engines have been in operation since early 2000s and were a very popular engine throughout europe, with use in Volvo B7L buses. These engines can be converted to truck specification, the long motors are the same however, you'll need a donor engine to complete the conversion. The turbo assy, cooling assy, sump and flywheel housing are the key differences. Many customers have purchased these engines for us in the FL7 trucks ranging between 2001-2004.
