The number of destinations Britons can jet off to is constantly changing, with the government now putting Portugal and Hungary on the list of countries subject to quarantine restrictions.

In *The Salt* When her mother's life ends in a mysterious accident, Maggie Atwood must face the legacy of alcoholism and lies that she fled from years before. From the safety of her new life in New Orleans with the man of her dreams, she reluctantly makes her way back to the town where it all began and the past she's tried to forget. It's been over two years since Maggie stepped foot in Haven, a small seaside town on the Massachusetts shoreline, and even longer since she spoke to her mother. The charismatic and troubled Vivian, serial wife and drinker, was a tough woman to love, though everyone did, and now she was dead. Maggie knows that she cannot move forward without diving backwards into the chaos and characters that defined her youth. Upholding a generations long tradition of self-medicating, Maggie navigates her way through thinly suppressed rage and childhood fears in an attempt to figure out what finally really happened to her mother. Swaddled in a haze of Valium and sarcasm, she begins to suspect that her mother's death was not an accident. Determined to understand the motivation behind a lifetime of drunken deception, Maggie delves into the long-buried secrets of her eccentric, wealthy family. What she finds is the heartbreaking truth behind her mother's infectious pain, and with it finally, peace. *In The Salt* is a novel that seeps into your skin and your bones like a cold New England day. Vivid in detail, imagery and emotion, Maggie's journey from anger to acceptance is one that anyone with an unconventional family can relate to. Is there any other kind?

Amelia Bradbury is the last living Elder. She has power she can't control, a prophecy dictating her fate, a betrothal she can't stop and a heart lost to a human. When duty calls, will she choose her head or her heart?

We've all heard that happiness comes from within, but we don't quite know how to access it. So, we keep looking for it outside of ourselves in material possessions or validation from others. Sure, we get those temporary quick fixes, but not the everlasting happiness we are all yearning for. In this book, Bonnie Moehle shares with you her personal discovery of the source of everlasting happiness, and how to go inside and get it. "Bravo to Bonnie Moehle for her second runaway success! This important book helps us all get to the root of happiness and how to have more of it in our life. The best part is, you know from the very beginning that you are not alone on this journey. Bonnie lovingly holds your hand through every page. So get ready to put a big smile on your face and open the floodgates to the many magical moments awaiting you. I highly recommend this book." - Bronwyn Marmo, Award-

winning and bestselling author of *The Food Is A Lie: The Truth Is Within*.

This book is a man's "secret weapon" tool box that guides him to romance, love and makes a woman irresistible to his charms. Look great, feel great and be a winner! never worry about sending flowers, making a date or giving a woman a gift again. You can live in "Magic Land" with the woman of your dreams. This book is a complete guide for a man to truly understand all of the secrets of making a woman happy!

Learn about the sleeping patterns of Pacific Northwest baby animals.

Praise for *Androgen Deprivation Therapy*: "To my knowledge [this] is the only book written in plain language (no medical jargon) explaining what's happening during ADT, and detailing how to limit and often solve most associated side effects. It should be read by every man undergoing ADT, as well as family members and also healthcare providers. They will find all the details they need to get the most from this treatment..." Prof. N. Mottet, MD, PhD, Urologist, Medical Oncologist, Head of the Prostate Cancer Guidelines panel of the European Association of Urology *Androgen Deprivation Therapy* is the only guide written exclusively about the side effects of hormone therapy. The authors have collaborated with the European Association of Urology to produce this specially revised new edition to serve men affected by ADT across the globe. This comprehensive workbook for prostate cancer patients and their loved ones is filled with practical advice from experts in the field. The book covers a wealth of strategies to help men cope with ADT and maintain a good quality of life while on this treatment. It is not only an informational manual, but a guide for both patients and partners about ways to make changes in their lives that can keep them healthy and positive when the patient is on ADT. New to this Edition: Updates on the physical side effects of ADT and management strategies Expanded information on exercise and nutrition for men diagnosed with prostate cancer Updates on the primary drugs used to treat prostate cancer and extensive drug tables with common brand names worldwide Revisions throughout based on critical feedback from international medical experts in the field of prostate cancer and related disciplines Exercises, activities, worksheets, and other tools to promote discussion and inspire behavioural changes that can reduce the burden of ADT Officially endorsed by the European Association of Urology

"Haunting and hopeful...a magic so vivid it feels more like a memory than a work of fiction."—Alix E. Harrow, New York Times bestselling author of *The Once and Future Witches* **NAMED A MOST-ANTICIPATED BOOK BY** *Good Housekeeping*, *Gizmodo*, *Den of Geek*, *Tor.com*, and more! Walk through the door and leave all your problems behind...but you don't know what's on the other side. And once you leave, you'll never come back. Will you go through? Maren Walker told herself she wouldn't need to sell pills for long, that it was only means to an end. But that end seems to be stretching as far away as the other side of Blackdamp County, Kentucky. There's always another bill for Granny's doctor, another problem with the car, another reason she's getting nowhere. She dreams of walking through her little door to leave it all behind. The doors have appeared to the people in her mountain town for as long as anyone can remember, though no one knows where they lead. All anyone knows is that if you go, you'll never come back. Maren's mother left through her door when Maren was nine, and her shadow has followed Maren ever since. When she faces the possibility of escaping her struggles for good, Maren must choose just what kind of future she wants to build. From critically acclaimed author Ashley Blooms, *Where I Can't Follow* explores the forces that hold people in place, and how they adapt, survive, and struggle to love a place that doesn't always love them back.
