'You Lost Me There' is a good debut novel from Rosecran Baldwin. I was a bit let down by the ending, expecting maybe some big twist or revelation. It's not that kind of book and, upon reflection, I credit Baldwin for staying true to the characters. It's an ending very much in synch with the pace and style of the overall work.

PRAISE FOR you lost me there. National Public Radio (Best Books of the Year): "A stunning debut... You Lost Me There is, finally, a wise book, the kind that eludes many authors twice Baldwin's age... Profound, affecting, and true." The New York Times Book Review (Editors' Choice): "In fiction as in life, you can't save people from themselves. Although that never keeps anyone from trying, as Rosecrans Baldwin's amiable first novel demonstrates."

You Lost Me There by Rosecrans Baldwin This is a book about memory (and its individuation), but it begins, in the prologue, with secrets. When they are getting to know each other, husband and wife Victor and Sarah tell each other their deepest secrets - he, that he had killed someone - that is, a friend of his killed himself and Victor felt he should have stopped him - and she, that she may have punched her mother in the stomach (at which they both laugh, given her mother's ...

You Lost Me There by Rosecrans Baldwin - Goodreads

You Lost Me There is a stunning debut for Rosecrans Baldwin. His book captures the emotional feel of a man who has discovered, too late, that his marriage was not has he remembered. As a scientist, I also greatly appreciate the detail with which Baldwin renders the scientific process (which is usually treated quite superficially).
